

CONTRACT

The Rotary Club of Homestead Stone Crab & Seafood Festival expects to draw thousands of seafood lovers to Homestead for this first ever event. The same people that made the Key Largo Stone Crab and Seafood Festival famous, are behind this event 100%! That event was so successful the Monroe County Sheriff's Department had to say no to this year's event because the crowds were TOO LARGE!

Moving the event to the Homestead Sports Complex solves that (good) problem. This event will have something for every member of the family. From kid's rides and entertainment to live bands, the very best seafood our local waters have to offer, and adult beverages.

Where: Homestead Sports Complex near the Homestead-Miami Speedway

When:

Saturday, February 24, 11:00 am – 6:00 pm and Sunday February 25, 11:00am – 5:00 pm
